

FCA Canada: Jeep® Announces Pricing for 2018 Grand Cherokee Trackhawk: The Most Powerful and Quickest SUV Ever

Grand Cherokee Trackhawk starts at \$109,995 Canadian Manufacturer's Suggested Retail Price

- Most powerful SUV ever: supercharged 6.2-litre V8 engine delivers 707 horsepower and 645 lb-ft of torque
- Quickest SUV ever: 0-60 miles per hour (mph) in 3.5 seconds, quarter-mile in 11.6 seconds, and top speed of 290 km/h
- Upgraded TorqueFlite eight-speed automatic transmission and driveline components engineered to handle additional torque output
- New Brembo braking system includes largest-ever front brakes on a Jeep® vehicle and delivers 60-0 mph braking performance of 35 metres (114 feet)
- World-class on-road driving dynamics: five drive-mode Selec-Track system and Bilstein adaptive damping suspension
- Aggressive, functional exterior appointments include unique quad-tip exhaust and redesigned fascia that optimizes airflow and cooling
- New standard 20 x 10-inch polished aluminum wheels with Titanium pockets expose distinctive yellow Brembo brake calipers
- 2018 Jeep Grand Cherokee Trackhawk will arrive in showrooms in the fourth quarter of 2017

August 11, 2017, Windsor, Ontario - Injected with an unmatched 707 horsepower – courtesy of an awe-inspiring supercharged 6.2-litre V8 engine – the most awarded SUV ever and the most capable full-size SUV in Canada has been transformed into the most powerful and quickest SUV ever.

Built in Detroit at the Jefferson North Assembly Plant, the new 2018 Grand Cherokee Trackhawk will arrive in Jeep® showrooms in the fourth quarter of 2017 with a starting Canadian Manufacturer's Suggested Retail Price (MSRP) of \$109,995 (excluding \$1,795 destination and applicable taxes).

"The 2018 Jeep Grand Cherokee Trackhawk delivers astounding performance numbers, backed by renowned SRT engineering that combines world-class on-road driving dynamics with luxury, refinement and an array of innovative advanced technology," said Mike Manley, Head of Jeep Brand. "As the most powerful and quickest SUV, there is nothing else like the Grand Cherokee Trackhawk in the market."

The new benchmark 707-horsepower supercharged engine combines with an upgraded high-torque capacity TorqueFlite eight-speed automatic transmission, world-class on-road driving dynamics and new Brembo brakes to deliver a new level of performance: 0-60 miles per hour (mph) in 3.5 seconds, quarter-mile in 11.6 seconds at 187 km/h, top speed of 290 km/h, 60-0 mph braking distance in 35 metres (114 feet) and .88g capability on the skid pad.

As the most powerful and quickest SUV ever, the 2018 Jeep Grand Cherokee Trackhawk is packed with standard performance features, including:

- Supercharged 6.2-litre V8 engine with 707 horsepower, 645 lb-ft of torque and 3.5-second 0-60 mph times
- TorqueFlite eight-speed automatic transmission with improved shift response, quality and consistent performance and drivability
- Jeep Quadra-Trac on-demand 4x4 system, which includes an electronic limited-slip rear differential and a

single-speed active transfer case

- Launch Control optimizes the Jeep Grand Cherokee Trackhawk's performance by coordinating the engine, transmission, driveline and suspension for a textbook launch and consistent straight-line acceleration
- Selec-Track system uses performance-tuned software to pre-configure and distinguish the five dynamic modes (Auto, Sport, Track, Snow and Tow), enabling drivers to choose a vehicle setting that ideally meets their requirements and ambient conditions
- 7,200-pound (3266 kg) towing capability
- New high-performance Brembo braking system, with a new distinctive yellow finish, includes the largest standard front brakes ever offered on a Jeep vehicle and delivers 60-0 mph braking performance of 35 metres (114 feet)
- One-inch (2.5 cm) lower ride than non-SRT Grand Cherokee models
- Sculpted hood with dual heat extractors
- Fog lights are absent from the Trackhawk's front fascia to optimize airflow to cooling modules and air induction without compromising the vehicle's balance
- "Supercharged" badge on both front doors and a Trackhawk badge on the liftgate features a Liquid Titanium Chrome outline and Matte Black background
- New standard 20 x 10-inch polished aluminum wheels with Titanium pockets and a Satin Chrome centre cap
- All-new Pirelli 295/45ZR20 Scorpion Verde all-season and new Pirelli P Zero three-season tires with an increased speed rating
- Unique Gloss Black rear valance showcases 102 millimetre (4-inch) Black Chrome quad exhaust tips, while new quad exhaust system design provides an exhilarating and unmistakable note during maximum acceleration
- Driver-focused interior features premium soft-touch materials, unique Light Black Chrome finishes and carbon fibre spears, and a 7-inch customizable in-cluster display centre with the tachometer in the middle
- New Uconnect 4C multimedia centre with 8.4-inch touchscreen features Trackhawk-exclusive Performance Pages that showcase an array of performance timers and gauge readouts
- Three-spoke steering wheel with a flat bottom features a host of comfort, convenience and connectivity controls and ergonomically efficient paddle shifters
- Premium Interior Metal Package enhances the Trackhawk's interior with various upscale real metal accents

Available options include dual-pane panoramic sunroof, three-season Pirelli tires, lightweight 20 x 10-inch Semi-Gloss Black aluminum wheels, fully-wrapped Signature Leather Interior Package in Black or Black/Dark Ruby Red, 19-speaker Harman Kardon high-performance audio system, dual-screen rear-seat entertainment centre with Blu-ray/DVD compatibility, trailer tow package and Dark Ruby Red seatbelts.

The 2018 Jeep Grand Cherokee Trackhawk is available in nine exterior colours: Billet Metallic, Granite Crystal Metallic, Diamond Black Crystal Pearl, Ivory Tri-coat, Bright White, Velvet Red Pearl, Rhino, Redline Pearl and True Blue Pearl.

Jeep Brand

Built on more than 75 years of legendary heritage, Jeep is the authentic SUV with class-leading capability, craftsmanship and versatility for people who seek extraordinary journeys. The Jeep brand delivers an open invitation to live life to the fullest by offering a full line of vehicles that continue to provide owners with a sense of security to handle any journey with confidence.

The Jeep vehicle lineup consists of the Cherokee, Compass, Grand Cherokee, Renegade and Wrangler. To meet consumer demand around the world, all Jeep models sold outside North America are available in both left and right-hand drive configurations and with gasoline and diesel powertrain options.

About FCA Canada

Founded as the Chrysler Corporation in 1925, FCA Canada Inc. is based in Windsor, Ontario, and celebrates its 92nd anniversary in 2017. FCA Canada is a wholly owned subsidiary of FCA US LLC, a North American automaker based in Auburn Hills, Michigan and member of the Fiat Chrysler Automobiles N.V. (FCA) family of companies. FCA

Canada has approximately 440 dealers and sells Chrysler, Dodge, Jeep®, Ram, FIAT and Alfa Romeo brands, as well as the SRT performance designation. The company also distributes Mopar and Alfa Romeo parts and accessories. In addition to its assembly facilities, which produce the Chrysler Pacifica, Chrysler Pacifica Hybrid and Dodge Grand Caravan (Windsor), Chrysler 300, Dodge Charger and Dodge Challenger (Brampton), FCA Canada operates an aluminum casting plant in Etobicoke, a research and development centre in Windsor, and has sales offices and parts distribution centers throughout the country.
